

Magnani Patrick

Curriculum Vitae

October 18, 2022

Biography : Born at Mendrisio Hospital but settled in Melano, I lived most of my youth outside Switzerland due to my father's job. During my childhood I practiced a variety of sports, such as soccer, swimming, ping-pong, but Basketball was the only sport I had played at a professional level. I have always been interested in technology and coding, hence me choosing the path of informatics throughout my life which brought me here, back to Ticino.

Skills:

- Good at problem solving
- Great at collaborating with others
- Competitive
- Vast amount of knowledge regarding technology and coding in C++
- Good stress management while under pressure.

Studies:

Primary/Middle School: Scoala Gimnaziala Dumbravita cu clasele I-VIII

Highschool: Liceul Teoretic "Grigore Moisil"

University: U.S.I Lugano - Ongoing
